

# South Ottawa – A Timbercreek Development

## A multi-faceted development with a focus on enhancing the resident living experience

- Vibrant and sustainable rental community, catering to a balanced target market of young professionals and active adults
- 400+ work/live suites with a mix of unit sizes (>950 sq. ft. for more than 50% of the units)
- State-of-the-art clubhouse, resort-style amenities, abundant greenspace with park frontages and pedestrian pathways
