

We've really been impressed by the City's reach out to the community and the proactive approach to solving problems.

Rob Blackwell, Senior Vice President, Investments & Asset Management, Aspen Properties

The contrast between working with the City of Calgary and other large municipalities is like night and day. Calgary is streamlined, straight forward and simple.

Kristi Stuart, Co-Founder, Barre Belle Inc

They've (The City) brought a progressive mindset and valuable initiatives that are helping us advance this development vision for Calgary's downtown.

Ken Bautista, Partner, Makespace and Co-founder, Startup Edmonton
