## APPOINTMENT NOTICES

**You've added new talent to your staff.**

**You've promoted someone to a more senior position.**

**You've hired one or more people to join the uppermost ranks of your company's management. That's no secret, internally, along with perhaps some clients.**

But why not showcase this appointment to everybody, in the industry who would take special notice and possibly follow up?

We include an appointment feature in our Real Estate Forum magazines: Edmonton, Montreal, Vancouver Real Estate Forum in Spring; Calgary, Ottawa Real Estate Forum in Fall; and the Real Estate Forum/Global Property Market in Winter.

The space will cost a small fraction of what a photo, copy and logo would amount to in the Report on Business in The Globe and Mail, for example.

You would provide the copy and images. We would provide the space, circulation and high pass-around readership.

It may be very prestigious to be in the ROB, but only a small percentage of that readership would have a potentially beneficial interest in senior staff and executive suite changes at your highly specialized company - *and at a significantly higher cost.*

The Canadian Real Estate Forums magazine is distributed to 5,000 commercial real estate industry executives onsite at the Forums and through mailings to a targeted audience of real estate professionals who share a keen interest in this continually evolving and extremely competitive market.

If you want those targeted readers to know about your staff hires, senior promotions, expanded capabilities or invigorated leadership with new or additional business in mind an appointment would maximize the exposure.

Why not look at the sample sizes of these appointment announcements and the cost of the space (we'll do the layout). While you're at it, think about the money you'll save by reaching only the people you want to reach.
